

TASTING NOTES

The vineyards used to make this wine come to harmony from historic sites in Serralunga d'Alba, Sinio, Santa Vittoria d'Alba, and Canale. Our idea was to combine the more structured vineyards of old vine Barbera from Sinio and Serralunga with fresh, ripe character from the other side of the Tanaro river to create a very approachable, high-tone fruit focused Barbera d'Alba.

Cascina San Lorenzo Barbera d'Alba

COUNTRY ABV
Italy 13.5%

REGION VARIETALS
Piedmont Barbera

APPELLATION
DOCG Barbera
d'Alba

WINERY

Cascina San Lorenzo is a project involving Enrico Rivetto, Alessio Povero and Charles Lazzara (President of Volio). The line was created in honor of Charles Lazzara's first child, Lorenzo, born in 2014. Coincidentally, San Lorenzo is also the name of the patron Saint of Alba, a famous winemaking region where both Enrico and Alessio have wineries of high regard.

The idea behind this line of wines is to offer extremely high-quality varietal wines from the North of Italy at exceptional pricing using estate grown grapes on young vines between the two estates.

CULTIVATION

Manually harvested.

VINIFICATION

Fermented in stainless steel, temperature-controlled tanks.

AGING

Aged in large Slovenian Oak (neutral) for 6 months.
