WINERY

My Essential is a project founded by renowned Master Sommelier Richard Betts in 2013. Richard wanted to create a line of crowd-pleasing, affordable, yet highly commendable wines to live up to his motto that “wine is a grocery, not a luxury.” In partnership with estates in Southern France, Anderson Valley, and another CA location, Richard has succeeded at creating three wines of exceptional character at an exceptional price point: respectively, a Rosé, a Sauvignon Blanc and a Cabernet Sauvignon.

Volio manages the sales and marketing of the My Essential brand in the US.

CULTIVATION

From a single estate in Anderson Valley.

VINIFICATION

Vinified and aged in stainless steel.

TASTING NOTES

Ripe fruit and bracing acidity true to varietal with herbs, spice, and tropical aromas.
