WINERY

Jean-Claude Mas, independent winemaker, fourth generation grape grower, first generation winemaker and owner of Domaines Paul Mas, is a leader in fine winemaking in the Languedoc region of the South of France. Since taking the helm of the family winery in 2000, he has prioritized sourcing the highest quality grapes from twelve privately owned estates and premier growers in the Languedoc to make wines of authenticity and refinement. The result is a collection of magnificently charming wines that burst forward with the warmth and stunning beauty of the Languedoc. A witty nod to the popular term for a Frenchman, Jean-Claude has embraced the stereotype to showcase the outstanding value and style of Languedoc winemaking. Arrogant Frog is made in the Old World but will appeal to New World palates with fresh, bright fruit and varietal character in range of styles.

CULTIVATION

Southeast exposure, protected from the north winds by a pine forest. Mediterranean climate with warm days and a cooling breeze from the sea 10 km away. The soil consists of gravel, clay and limestone.

VINIFICATION

The grapes are destemmed and cooled down to 10°C. A pneumatic press is used and only the free-run juice is used.
