#### WINERY

The San Giuseppe Winery takes its name from the sharecropping estate established by Giuseppe Martelli in 1910. Abandoned in 1940, the estate was acquired by the Stella Viola di Campalto in 1992. Stella is deeply devoted to the rhythms, culture, and beauty of Montalcino.

The 13-hectare San Giuseppe estate includes 5.5 hectares of vineyards. A great deal of time and resources are devoted to maintaining the natural ecosystem in and around the vineyards, resulting in wines that are pure, unrepeatable expressions of their terroir and year of origin. Each plot is a small cru with its own distinct character and each wine is vinified separately in wooden vats. The estate has been certified organic since 1996 and employed biodynamic methods since 2002.
