The exceptional quality and value for money makes Tavernello's wines ideal everyday drinkers.

As a cooperative, Caviro is dedicated to sustainability with the vision of managing the land so it can be passed on to future generations. They have received leading sustainability awards for their holistic and dedicated approach to economic, social, and environmental sustainability, adding even more value to every glass of Tavernello.

ABOUT THE WINE

Sourced from the hills and plains of Italy, the grapes used to make this red wine are both hand and machine-picked the second half of September.

Vinification involves a 10-day fermentation at 24-26°C in 600/1000 hl tanks, traditional pressing and fining in a stainless steel tank.
