

"Winery of the Year 2022"

An ambitious result, made even more significant because **it comes in the year that marks the 60th anniversary** of that very first bottle of Franciacorta, which sets us on this exciting and demanding path.

This award celebrates the care that everyone puts into their work: **all together, WE ARE the Winery of the Year!**

We have been recognised for achieving the height of excellence not only for our wines - the undisputed quality of which is confirmed again this year by the three glasses awarded by Gambero Rosso to our '61 Franciacorta Nature 2014 - but **for our work in its entirety!**

For this, for your loyalty and for all your hard work, we would like you to accept our **sincere and heartfelt thanks**, because without you it would not have been possible.

A toast to all of us, Winery of the Year 2022!
