VINEYARD PHILOSOPHY

Tavernello is the flagship brand of Caviro - an agricultural cooperative that sources its grapes from more than 10k individual winemakers across seven regions in Italy, providing opportunities for small, passionate farmers across the country.

VINIFICATION

Grapes are destemmed and crushed. Skin contact takes place for 8 to 10 days. Fermented in stainless steel tanks for ten days with subsequent racking and malolactic fermentation. The wine is then stored in Inox stainless steel tanks for 3 months before fining and bottling.
