The Three Things to Know

1. #1 Wine Brand in Italy

Tavernello, Italy's #1 wine brand and a global top 10, has brought the essence of Italian winemaking to tables worldwide for the past 40 years.

2. Sustainably Produced by Cavirò

Cavirò, Italy's leading winegrowers' cooperative, champions sustainability and transparency, following a circular winemaking cycle in which all waste is transformed into resources.

3. Easy, Everyday Wines

No fuss or fancy words. Tavernello's fresh, easy-drinking wines suit any occasion, from casual meals to celebrations.

Our Relationship

"Our partnership with Cavirò is a constant source of inspiration. Their extraordinary scale and automation aren't about efficiency alone — they're leveraged with purpose. Cavirò understands the responsibility that comes with their size, channeling it into forward-thinking, eco-conscious practices that make a real, positive impact on the future."
